

Your child can access my support at any time, for example resolving friendship issues.

**If you would like to speak to me regarding your child feel free to come into school or give me a call on  
0161 430 2675**

If you would like this leaflet in another format please call me on  
0161 430 2675

## **Arden Primary School Learning Mentor**

I can offer support, guidance and advice to children and families.

I work together with other adults and services to help children overcome barriers and achieve their best in school.

**Learning Mentor**  
**Arden Primary**  
**School**  
**0161 430 2675**

**I will work with individuals and groups of children to support their learning and attendance; helping them to attain the best possible outcomes in school.**

I can help your child with any of the following:

- Help them to feel more confident about themselves
- **Support them through any difficulties at home or in school.**
- Improve their relationships with their peers and adults.
- **Support them with transition to new classes and on to secondary school.**
- Support families experiencing bereavement and loss.
- **Support children to understand changes in family circumstances.**

**I can also help you as parents and carers with things like:**

- Providing a link between home and school.
- Establishing routines to improve your child's attendance and punctuality.
- Supporting with behaviour management strategies.
- Accessing support from other agencies and services
- Help with homework issues
